E. J. Fream, Esq.,

Dear Sir:

Re: Walter J. Smith - Whiskey Gap
Joint Relief Advances.

This party obtained an advance for joint relief in the year 1920 in a sum of $105.00 against which repayments have been received in a sum of approximately $95.00, leaving a balance outstanding as at March 31st, 1934 as follows:

Joint Relief	Principal	$68.14	
	Interest	20.94	$89.08

The only security taken for these advances consisted of a chattel mortgage on livestock and farm machinery, which would now be so old as to be practically worthless.

The debtor is now getting along in years and when billed in connection with this indebtedness he expressed a desire to effect settlement if a compromise could be secured. With this end in view he tendered the sum of $25.00, with the request that it be accepted in full of the above balance.

In view of the fact that there is practically no security remaining for this advance and that the total repayments will represent a sum sufficient to retire the original loan, together with approximately $15.00 on account of interest, also having regard to the compromise settlements accorded other settlers, I would recommend that the offer be accepted.

I would further recommend that upon application to this account the sum of $25.00, which is now held in trust, the under mentioned balance of principal together with any interest which may have accrued be written off under the provision of the Tax Consolidation Act, 1930.

Principal $43.14.

Yours very truly,

Chairman
THE DEBT ADJUSTMENT BOARD.

Dear Sir,

I enclose a paper
which I have written on the subject of
Agriculture which I have recently established
with the approval of
the Officials of the Dominion

came out to this country in
November last to

it. Upon receipt of
this information I saw
the Deputy Minister of the

explained the matter fully
to him. He requested
me to at once write to
you to point out that
the land reserved is
wanted - should be
reserved for the School
of Agriculture. As the
men in whose name the
land is taken up will

Memorandum:-

In accordance with your instructions I have looked into the case of O. H. Hanson, and beg to report as follows:-

On the 12th of February 1902, Mr. Hanson advised the Department that he had established a School of Agriculture in Alberta, for which purpose he proposed to utilize the following lands,- Sections 10, 11 & South 1/2 of 14, all in Township 19, Range 27, West Fourth Meridian. He stated that he had interviewed the Deputy Minister, and by Mr. Smart's direction submitted his case, in order that the entries might be protected.

Accordingly, on the 11th of March following, the Agent at Calgary, was instructed to protect the entries for the South East 1/4, North East 1/4, & North West 1/4 of Section 10, as desired by him.

It is not clear, however, that the required duties are being performed, and on the 25th of July 1904, a report on these lands was ordered.

There is an application to cancel the South East 1/4 of Section 14, as well, and I would suggest that the Inspector be requested to report fully on the entire scheme, and the manner in which it is being carried out,- as well as the prospects of success.

The Commissioner of Dominion Lands, The
Interior Dept.

The land stands as follows.-

S.E.1/4 of 10-19-27,W.4,- Homestead of S.L.Reygate. On the 11th of March 1904, entry was protected, and on the 25th of July, a report was ordered. On the 15th of July, Mr. Hanson wrote, saying that Reygate was in residence, had 35 acres cultivated, and land fenced.

N.E.1/4 of 10-19-27,W.4., Homestead of R. P. Fuller. The entry has been protected, and a report was ordered on the 25th of July last.

N.W.1/4 of 10-19-27,W.4., Homestead of H. L. Alden. The entry was protected on the 11th of March last, after which the Agent reported an application for inspection, and a report was called for. Mr. Hanson states there are 15 acres cultivated, a house built and occupied, and land fenced.

S.W.1/4 of 14-19-27,W.4., Homestead of F. G. Harris. Application for inspection by A. Dietz. Hanson states Harris is doing duties, having resided there for the past 15 months.

Sec.11-19-27,W.4., School land leased to Hanson, who was advised that lien would terminate on the 24th of October, 1904.

S.W.1/4 of 10-19-27,W.4., is the homestead of H.C.M. Hanson, taken up on the 4th of June 1903.

S.W.1/4 of 14-19-27,W.4., is the homestead of O. H. Hanson, entered on the 27th of March 1903.

Dear Sir:

I wish to write you in regard to the S. E. ¼ Sec. 13, Twp 19, Range 2 West of 4th P. M. at Gilchrist on which entry was made November 1st 1905 but it seems that I cannot get any satisfaction on the Calgary office in regard to the matter. Mr Hansen who is running sort of an experimental or agricultural farm as he claims has the said land under control now. By understanding is that he is trying to hold it for a party in England, consequently is holding it by illegal methods. He and his son have lived homesteads in section 10 of the same township. Therefore they can not hold any other homestead according to law. Please let me know in regard to this matter immediately. Yours very truly.

Sections in all, were taken up under homestead entry by Mr. Hanson and his son, and four parties interested in his scheme. However, Mr. Hanson secured the issue of patent for Section 11 in the same Township, so that his operations extended to ten quarter Sections in all. Since then Mr. Hanson and his son have secured patents for [illegible] homesteads, the North West quarter of 11, and the South West quarter of 10. The entry of Mr. H. L. Alcock for the North West quarter of 10, and of Mr. E. P. Fuller for the North East quarter of the same Section, was protected to the 1st of May next, in the month of November last by order of Mr. Rothwell who was then acting as Deputy Minister in my absence. Mr. Rothwell explains, in his memorandum of the 14th November underneath, that this matter had been placed in his hands by you, along with a number of other cases, and as Mr. Hanson was leaving the next day for Montreal on his way to the Old Country, he deemed that the circumstances of the cases fully warranted him in granting the extensions asked for. I have marked his memorandum on the file herewith. There are, therefore, only two quarter Sections, namely, the South East of 10, and the South East of 14, the entries for which

may be liable to cancellation, but the papers on file do not disclose any information as to the present position of these two parcels. Applications for cancellation may have been made to the Agent, but if so advice of this effect has not yet reached the Department.

Of the foregoing the S.E.¼ of section 10, and the S.W.¼ of section 14, in township 19, range 27, west 4th meridian, have been patented, but it is not clear that the duties are being performed upon the remaining lands in accordance with the regulations. Be good enough to instruct the Homestead Inspector to visit these lands, on a convenient opportunity, and ascertain whether the holders of the entries are in residence and complying with the regulations.

Dear Sir

Re N.W. 32-9-16. W. 4th.

This quarter section homestead over a year ago by a Mr Hull of Lethbridge. The Crows Nest R.y runs through it leaving about 1/3 of the land on the north side of the track and the station is on the south side. Mr Hull owns a label on the North side and the C.P.R wish to purchase station ground on the South side of the track. Rapid development of coal mines and settlements of farms have caused a considerable business activity and Mr Hull wishes to give title to parties who desire to purchase building lots. I therefore make application for leave for the right to purchase the fractional quarter section North of the Railway and the ground South of the railway which the C.P.R wishes to purchase for station and yards.

Yours truly

Memorandum:-

Mr.W.C. Simmons, Barrister, of Cardston, Alberta, states in his letter of the 8th instant, that the Crow's Nest Railway runs through a portion of Mr. Hull's homestead, the N.W. 1/4 of Section 32, Township 3, Range 16, West Fourth Meridian, leaving about 1/3 of the land on the north side of the track, the station being on the south side, also that Mr. Hull owns a hotel on the north side and the Canadian Pacific Railway Company wish to purchase station grounds on the south side of the track. He states further, that recent developments of coal mines and settlements of farmers have caused great business activity, and that, as Mr. Hull desires to give title to persons who wish to purchase building lots, he would like to purchase the portion of the quarter section, north of the railway, and the ground south of the railway, which the Railway Company wish to purchase for station and yards.

The quarter section in question stands as a homestead in the name of Mr. Hull, the entry having been made on the 9th June, 1903. The Railway runs through his homestead as indicated on the sketch beneath.

Dear Sir. You will remember we entered into your office with Mr. Darrah on the morning of the first instant in reference to the steam land of James Steel of this place. At that time you seemed to think the department would sell him twenty acres at the rate of $25 per acre. We think he should pay this rate but since we returned home we have talked the matter over with Mr. Steel, and he seemed to think that on account of the shape he had to have the 20 acres in order to sell the lots where he wanted to it would be a very difficult matter to arrange, and he would be willing to pay $100 per acre for the whole quarter. He has now been on his homestead over two years steady and has spent a good deal on the way of buildings and other improvements [illegible]

The N.½ of section 7, township 68, range 14, west 4th meridian, which he desires to enter for, was appointed or by him prior to survey, as stated by the Dominion Lands Surveyor, who subdivided the township, and on the [illegible] the Canadian Pacific Railway Company was advised that the whole of the section (the S.½ thereof being occupied by Thos. Memorandum:-

I beg to return letter of the 9th ultimo, from Mr. John Cinnamon, Pakan P.O., Alberta, respecting the Military Bounty of 1885, for which he claims he only received one quarter-section of 160 acres, and stating that his brother who served the same as he did, received 320 acres.

Mr. Cinnamon, who was the original grantee, entered for the S½ of Section 34, Township 47, Range 21, West 3rd Meridian, as a Military Homestead. His entry therefor was subsequently cancelled and he was given permission to enter for another half-section.

He applied for entry on the N½ of Section 7, Township 58, Range 16, West 4th Meridian, which was squatted on by him prior to survey, as shown by his declaration before the Dominion Lands Surveyor, who subdivided the Township.

Mr. Cinnamon's request was complied with and he located his Military Bounty Land Warrant on the N½ of Section 7, Township 58, Range 16, West 4th Meridian, which according to the plan contains 320 acres. This half-section was patented to him on the 5th July, 1907.

Mr. Cinnamon has therefore received 320 acres in satisfaction of his Land Warrant.

MEMORANDUM:-

Referring to your memorandum dated 21st March on file 866579 herewith, we have no information in this office to the effect that the lake shown on the latest edition plan as extending into section 4 township 57-26-4 is now dry as reported by Mr. Jules Soetaert in his statutory declaration.

A.M.M. Soars D.L.S. who surveyed this lake in 1917 reported that it was surface fed, contained poor water up to three feet in depth and had a marshy boggy shore. He further reported that the lake had every appearance of having been the same size and character for several years.

A vertical aerial survey of this and adjoining townships is to be carried out in about a months time, and a report as to this water area will be sent you as soon as the aerial photographs are received.

Memorandum:-

OTTAWA, 24th August, 1925.

W. C. Cot[illegible], Esq., I.S.O.,
Controller.

Application of Mr. Jules Soetaert to acquire the unpatented portion of the [illegible] of Section 1, Township 37, Range 15, West of the 4th Meridian. Containing 80.10 acres. Shown on the sketch marked hereunder as low land liable to flooding.

I beg to submit for your consideration the application above referred to. The land is available according to the departmental records as the applicant on the 17th December, 1919, obtained homestead patent for the balance of this quarter section, the parcel now applied for being at that time covered by water.

On the 3rd March last, Mr. Soetaert filed here a statutory declaration to the effect that the water area of his quarter section had become dry.

The Surveyor General in his memorandum of the 23rd ultimo, on file directly hereunder, states that while the water area affecting this land is not completely dry, as reported by Mr. Jules Soetaert, yet it has receded sufficiently to warrant it being classified as low land liable to flooding.

Under the circumstances, I beg to recommend the issue of supplementary letters patent for the unpatented portion of this quarter section in favour of the applicant, provided he will have filed here the usual evidence showing that he is still the actual registered owner of the patented portion thereof.

Dear Sir,

At the request of our client, Mr. Soetaert, we are remitting you herewith cover the title No. 157 Wam, covering a part of the Quarter Section, S.W. ¼ - 57 - 25 - 4, and which you asked to be returned to you in order to issue, we presume, a new title which will cover the whole Quarter Section, seeing that we are granting the Grant for the part of the land which Mr. Soetaert asked the Department to buy and not that which is already possessed.

We also refer you to our letter of the 7th September last, in this subject, which advised that the Department was accepting the application of Mr. Soetaert provided he could show by title or certificate that he was the owner of the part of the land already patented. As we have a Caveat registered against the title which we are sending you herewith, it is understood that the new title is issued, our Caveat should not be cancelled and the new title should be forwarded to us here.

Re application of George Estashek to purchase the frac. S.E.¼ 4-56-15, W. 4th M., lying south of the river, containing 70 acres and shown on the sketch attached coloured yellow.

Mr. Estashek was advised by your letter of the 7ist ultimo that he might purchase the above mentioned parcel at the rate of $7.00 an acre, upon furnishing an abstract of title showing him to be the registered owner of the adjoining N.E.¼ of Section 33, Township 57, Range 15, West of the Fourth Meridian.

I think that the said contract should be returned to Mr. Estashek and that he should be advised that, under the circumstances, the parcel applied for cannot be disposed of to him and that when he becomes the registered owner of the said N.E.¼ of Section 33 an application to purchase the parcel in question will be considered if the same is then available.

Dear Sir:-

Re Pt. L.W. 21-7-3. W. 4th.
Files 317. 1011 & I.F. 31.

We beg to acknowledge receipt of your favor of the 2nd inst., regarding Mrs. Cawthorne and note that you have communicated with the Dominion Government regarding our claim.

Of course, we cannot recognize this claim in any way and we are inclined to think that you have not received advices as to facts. A man named Jesse L. Carter originally applied to us for the above mentioned Quarter Section but afterwards applied to us to purchase same. On the 22nd December, 1903, we advised him that the land was not for sale. We understand that Cawthorne came over from England as a letter boy and Carter, although he had no right to do so, built the improvements and he had made on the property, but Mrs. Carter was well aware at that time that he had no legal right to them.

On the 10th June, 1904, Leonard Taylor wrote us applying to purchase the land, and in his letter of that date we advised him it was not for sale, the owners desiring not to dispose of it for special purposes of their own. Cawthorne was, therefore, fully aware that he had no rights in, and was

not likely to obtain any right to the property. The owners not requiring to make use of the property at the time did not take action to eject Cawthorne, and we believe that he and his family have since remained on the property, as not having taken proceedings to eject them. We desire now, however, to have the lease, which we sent Mrs. Cawthorne with our letter of the 16th February last, signed and if she is not required to sign this document we will immediately put the matter in the hands of our Solicitors, who will arrange for the Sheriff to eject her.

We understand Cawthorne has now deserted his wife, and his family have only been allowed to remain on this property as a matter of charity, and as we do not intend to sell to Cawthorne or his wife, she must at once leave the property, or sign the Lease we sent with our letter of the 16th ult.

Yours truly,

Dear Sir

In submitting the following case to you I will endeavour to be as brief as possible in giving you the details. The cause of my writing you arises out of a section of land — or rather the ownership of it Viz — the North West ¼ of 21 - 7 - 3. West of 5th M. coming to this country from England five years ago, my husband, L Lawthorne bought the improvements on the above from a man named J Carter for the sum of $400-00, but in

Memorandum:-

Acting Commissioner.

Re N.W. 21 - 7 - 3 - W. 5th M.

This land was patented to the Calgary & Edmonton Railway Company on the 18th January, 1902. One James W. Carter squatted thereon in December, 1903. He applied to purchase the land from the above Company but was advised that it was not for sale.

Mr. Carter afterwards sold the improvements placed thereon by himself to one Leonard Cawthorne. Although at the time he must have been aware that he had no right to the land..

The Calgary & Edmonton Land Company wrote on the 8th March last that they did not see any reason why they should recommend the owners of this quarter-section to give up their rights to it. They stated that they understood Mr. Cawthorne has deserted his wife and family and they have allowed Mrs. Cawthorne to remain on the land simply as a matter of charity. They now wish, however, to have

Mrs. Cawthorne

Deputy Minister.
Unless the C. & E. are willing to exchange, and this seems very doubtful, I fail to see what we can do.

Mrs. Cawthorne sign a lease of the land, and if she is not prepared to do so they will take steps to eject her.

Mrs. Cawthorne (in the letter attached) states that she and her husband came out from England six years ago, and paid $400.00 to Mr. Carter for the improvements on this land, and have since placed considerably more thereon; that the Homestead Inspector visited them in the fall of that years and informed them that in all probability they would be able to get the land as a homestead by exchange.

Mrs. Cawthorne's husband left her in 1905, and she has since heard nothing of him. She was, therefore, left the sole support of three children of the ages of seven, five and three. She has supported them by taking boarders from the coal mines and improving her homestead.

The states the Company has tried to get her to lease the land, which she has refused, and they have since threatened to eject her from it.

She now appeals to the Department to assist her in securing the quarter-section as a homestead, as her health is broken down and she wishes the land in order that she may support her family.

This appears to be a hard case and it is deemed advisable to have a Homestead Inspector visit the land, and if the facts are as stated ask the Company if they would be

Sir:

I beg to acknowledge the receipt of your letter dated the 10th instant, enclosing one from Mrs. Alice Cawthorne asking the Department to interfere in her behalf with the view of securing the N.E. ¼ of section 21, township 7, range 7, East of the fifth Meridian. In reply I am to say that the land in question has been patented to the Calgary & Edmonton Railway Company, and is no longer at the disposal of the Department, and unless the Company are willing to relinquish their interest in it and take a quarter section elsewhere in lieu thereof, there does not seem any way by which Mrs. Cawthorne's wishes could be met.

The Company in question appear to have refused to make such exchange, and under the circumstances nothing can be done in the matter.

- Re N.W.T. 21-7-3-W.5th (Cawthorne) - Files 917 & 1011 and Mineral Agt. "C" 3 C.& E.-

I beg to acknowledge receipt of your favour of the 18th Inst., addressed to my Firm, with regard to relinquishing our interest in the above mentioned quarter section, the title to which is in my name.

I have always considered this land, owing to its location and the proximity of fairly good wood, to be of considerable value, and may say that I have already relinquished one quarter of the section at the request of your Department.

As far as I can ascertain, there is really no reason why this quarter section should be given up as the improvements which Mrs. Cawthorne, or her husband, purchased from the original squatter, J.M. Carter, he had no right whatever to sell. However, as Mrs. Cawthorne has been deserted by her husband and as you desire her to be enabled to homestead the land, I am prepared to release my claim to the surface of same, the minerals under the land having already been sold by the Government, your Department accounting to us for same as far as amounts collected are concerned, though we have not yet been advised as to whether sale included

included a royalty.

Under the circumstances connected with this case and as you desire it, I am prepared to transfer back to the Crown, my interest in this quarter section, on the understanding that we are to be allowed to select another quarter section in lieu of same, which must stand free of all encumbrances.

I do not wish to give up this land as I consider that it will eventually be of considerable value, but am prepared to do so owing to the courtesy we have always received from your Department in connection with like matters.

While writing you on the above subject I wish to draw your attention to another matter of a somewhat similar nature and for that reason enclose herewith a copy of our firm's letter of the 25th Inst. addressed to the Secretary of your Department. I should like very much to have you look over your whole file in connection with the request from your Department, that we release the portion of the N.E.¼. 27-6-1-W.5th lying North of South Fork of Old Man's River, as though in the case of Mrs. Cawthorne it seems fair that both your Department and the interests I represent should assist in setting aside a wrong which has inadvertently occurred, in the case of Miller it is very different. He occupied the land for years, knowing that he had no right to do so and knowing that it belonged to the Calgary & Edmonton Land Company.

N.W.¼ 21-7-3, W.5th M.
Pat'd 2nd January, 1902, to Calgary & Edmonton Land Company.

One, James M.Carter squatted on the above land in 1907, selling his improvements thereon to Leonard Cawthorne who deserted his wife and family in 1905.

The Company was requested to relinquish its interest in the land for another available quarter section in order to permit Mrs.Cawthorne to complete her duties as a homesteader and acquire title.

In his letter of the 29th January last, addressed to the Minister, Mr.William Manton, on behalf of the Company, consented to release its claim to the surface rights of the said quarter section, the Department to account to it for any amounts collected in connection with the under-rights and the Company to select another available quarter section.

Mrs.Cawthorne was advised to the above effect and has filed evidence setting forth that from December, 1908, she has not received any assistance from her husband and that she has three minor children dependent upon her for support.

Mr.Manton, under date the 17th February last, asked if his Company might make a selection in lieu of the said N.W.¼ of Section 21, Township 7, Range 3, West of the Fifth Meridian, from any of the following Sections:-

Section 3-18-18, W.4th M.

Copy for the A.D.L.Lethbridge. Ottawa 10th October,1910

Madam,

With reference to your letters of the 12th August last,addressed to the Minister and the Secretary of the Department,respectively,which I regret by some oversight were not answered at an earlier date,respecting your claim to homestead entry for the N.W. ¼ of section 31, township 7, range 3,west 5th meridian, I am directed to inform you that Mr.A.F. Panton has transferred to the Crown the N.W. ¼ of the said section 31,excepting thereout the surveyed road,and that such transfer was forwarded some time ago to the Agent of Dominion Lands at Lethbridge,in order that he might obtain from the Registrar a certificate of title in favour of His Majesty the King,but such certificate of title has not yet reached the Department. So soon,however, as it is received here the necessary instructions will be issued the Agent to grant you homestead entry for the quarter section in question,less the said surveyed road.

A copy of this letter is being sent to the Agent of Dominion Lands,Lethbridge,in order that he may advise the Department immediately of the cause of the delay in procuring and filing here the necessary duplicate of title.

Your obedient servant,

Secretary.

Dear Sir:-

I am in acknowledge the receipt of your letter of the 8th inst. enclosing a copy of a previous letter to which you did not receive a reply.

Upon inquiry in the department I find that your previous letter was not replied to owing to an oversight in the department. As you were aware at the actual commencement of proceedings in the matter, the settlement is waiting the receipt of complete certificate of title in favour of the Crown of the S.E. of 21-7-3-W.5th from the agent of vendor at Lethbridge. As soon as this is received in the department the necessary instructions will be given to print your homestead entry for the Crown patent.

Referring to your favour of the 5th ultimo, your file No.867440, we beg to say that we have inspected the W.½ 13-9-22 W.4th, one quarter of which was offered us in lieu of the above mentioned North-West quarter of section 21, which we released at the request of the Government. We find, however, that the West half of section 13, mentioned above, is of such little value that we would not care to accept either quarter.

Under the circumstances, we have decided not to take any further action just at present, but will bring up the matter again as soon as we can find a suitable quarter-section to tak in lieu of the N.W.¼ 21-7-3 W.5th.

Dear Sir

Re the above section for which I now hold entry & have applied for Patent.

N W ¼ 21 ~ 3 ~ W of 5th

As you are aware I have stated in my correspondence to you I have all necessary improvements done to acquire Patent.

When the Homestead Inspector (Mr Link) visited me a short time ago to get necessary evidence etc - I pointed out to him a few acres I wished to clean up this fall for cultivation next year. The piece of land in question is bushy & when the fire came over seven years ago many of the trees fell & are now rotted so that they can be used, but on account of my not having "Patent" have not been able to dispose of same.

2.

My object for writing this letter is to get "permission" to dispose of - if I can - what [illegible], this Fall, as I am afraid another winter will make it useless, what now remains.

This is [illegible], complying with Article No 10 In the Homestead Regulations Acts. No 21.

Thanking you for an early reply

Believe me

Yours Truly

Re - N.W. 21-7-3-W. 5th Mer.
Calgary & Edmonton Railway Grant 823.

The surface rights to the above mentioned quarter section were patented to the Calgary and Edmonton Railway Company on the 2nd January, 1894. This quarter section less road area was revested in the Crown in 1915 (reference 2289722) and the Railway Company's land account has been credited with the area of 159.00 acres.

The mineral rights in this quarter section were sold by the Government and the Calgary and Edmonton Railway Company has been compensated in cash for these mineral. The compensation paid the Railway Company amounted to $1864.16.

The Railway Company does not appear to have selected any land in lieu of this quarter section. This matter has been standing for a long time and I think we should place a note in our records to the effect that the Company is to receive a patent for surface rights only in the quarter section granted in lieu of the parcel revested.

According to our records there is still a balance including this exchange of 211.72 acres. This area may not be exact as the land account has not been checked for a number of years. Would it not be advisable to have this grant checked and allel and when this has been done request the Company to select a sufficient area to close off the grant.

MEMO;

Mr. Campbell,

William Gray states that he squatted on Section 3, Township 10, Range 29 W.4th M., but only a portion of the Easterly half of this township has been subdivided. The outlines of the township were run by Mr. C.E. Wolf, D.L.S., during the year , 1883, which cannot however be considered a subdivision survey , although the three-quarters of the Section are sufficiently subdivided for entry.

The land is not Railway land and should Mr. Gray's contention be entertained , the same could be sold. There are however certain files marked against this section which at the present time cannot be found. They are T&M 425926 and Head Office file 983332. This however would not interfere with the claim of Mr. Gray should he be allowed to purchase the land applied for as his claim would have a prior date.

Minister of the Interior,

O T T A W A.

Dear Sir,- re Sec. 31 - 10 - 29 - W. 4th. M.

Mr. William Gray who resides on the N. W. ¼ of SEc. 36 - 10 27 - W. 4th. M. wishes to purchase Sec. 31 - 10 - 29 - W. 4th.M.

Gray went upon this land 14 years ago to graze his cattle, and has be en in possession ever since. It is unsurveyed land, and is grazing land only with the exception of about 50 acres. Mr. Gray applied to the C. an' E. Co. for this land about 4 years ago, and was by them referred to the Department, and the Department advised him that the Government had not the control of it. Mr. Gray has made the following improvements on this land, namely,- House 27 ft. by 30 ft. An open shed 20 by 40. A closed shed 20 by 70. A stable 24 by 30, and 2 corrals capable of holding 600 head of stock.

Three sons of Mr. Gray are homesteaders on adjoining land. Neil Gray on the N.W.¼ 33-10-29, Leonard on the S.W.¼ 4- 11-29 and Sidney on the W. ½ of the S.E.¼ of 4-11-29, which last only contains 97 acres,

the balance of the quarter section being a waterright. They wish together to acquire the ownership of this section and to make further improvements thereon, and to make it their permanent home, and also have feed for their stock which number 200 head of cattle and 20 horses.

I trust therefore that under the circumstances you will see your way clear to have this section sold to Mr. Gray.

This is the one you received the letter about while I was in Ottawa, and of which I said I would give you the particulars.

Yours, Sir,

Yours faithfully,

Sir,

With reference to your letter of the 20th ultimo (No.41225), enclosing the Homestead Inspector's report upon Section 31, Township 10, Range 29, West 4th Meridian; I beg to say that you may sell this land to Mr. William Gray, at the current rate and upon the usual terms, if you know of no reason to the contrary.

According to the records here, it appears that the S.W.¼ of Section 36, Township 1, Range 27, West 4th Meridian, is the subject of a sale to Mr. Gray, the area being 155.40 acres (Lime sale 5661 Ref. 724347).

Sir,

I beg to advise you that Mr. William Gray called at this office in connection with his application to purchase Section 31--10--24 W. It would appear that this gentleman has already purchased ~~the whole section~~ 155.40 acres and is therefore not entitled to purchase the whole section so that he desires to purchase the N.½ and the N.½ of the S.½ of this section which covers an area of 104.60 acres, more or less. Please advise if this sale may be carried out in the above mentioned manner.

MEMORANDUM:-

With reference to Mr. Gliddon's memorandum of the 6th October last, and Mr. Burpe's endorsement thereon, the Agent now reports that owing to Mr. William Gray having already purchased 155.40 acres, and therefore, not being permitted to acquire the whole of section 31, township 10, range 29, west 4th meridian, he desires to reduce his application to the N½ and the N½ of the S½ of said section 31, being an area of 504.60 acres, which, added to his former purchase, would make the area 660 acres, and still in excess of the 640 acres any one purchaser may be allowed by the Act to purchase.

Mr. Gray might further reduce his quantity by one legal subdivision but, according to the plan, the western and southern tiers of sections only of the section have been surveyed, and therefore he could not, at the present time, be sold any portion of the SE¼.

Sir,

I am directed to acknowledge the receipt of your letter of the 13th ultimo, File No. 41..., in which you state that Mr. William Grey desires to purchase the N.½ and the N.½ of the S.E. of Section 31, Township 1, Range 14, West First Meridian, being an area of 324.6 acres, and in reply to say that as Mr. Grey has already purchased 153.4 acres, if the area now applied for were right to his former homestead, the whole amount purchase would be 600 acres or, therefore, 113 in excess of the statutory limit of 640 acres.

I am further to say that Mr. Grey must reduce his application to 486.6 acres, in one piece, if purchase under the statute.

I am to add that, according to the plan the western ... meridian boundaries only of the Dept. have been surveyed and Mr. Grey could, if necessary, ... the present time any portion of the S.E. ¼ of section.

Memorandum:-

I beg to return Mr. A.F.Grady's letter to the Minister, dated Macleod the 10th instant, respecting Mr. William Gray's application to purchase section 31, township 10, range 29, west 4th meridian.

In reply to the Minister's query - What are the circumstances under which offer to sell was made," I beg to quote my memorandum addressed to you on the 30th December last, and also Mr. Cory's decision endorsed thereon:-

"With reference to Mr. Wilson's memorandum "of the 6th October last, and Mr. Pope's endorsement "thereon, the Agent now reports that owing to Mr. William "Gray having already purchased 155.40 acres, and therefore "not being entitled to acquire the whole section 31, "township 10, range 29, west 4th meridian, he desires to "reduce his application to the N.½ and the S.E.¼ of the "S.½ of the said section 31, being an area of 401.60 acres, "which added to his former purchase would make the area "660 acres, and still in excess of the 640 acres any "one purchaser may be allowed by the Act to purchase."

"Mr. Gray might further reduce his application "by one legal subdivision, but, according to the plan, "the eastern and northern boundaries only of the section "have been surveyed, and therefore he could not, at the "present time, be sold any portion of the S.E.¼".

Mr. Cory's decision reads as follows:-

"Just reduce application to amount he is "entitled to buy."

This decision was communicated to the Agent of Dominion Lands, Lethbridge, by letter of the 20th January last..

The

J.W.Greenway, Esq.,
Commissioner of Dominion Lands,

The Surveyor General reports that the S.E.¼ of the said section 31 has not yet been surveyed, and that Mr. Miles was instructed to survey the North East portion of this Township last summer, but did not do so. I find that notwithstanding the fact that the S.E.¼ has not been sufficiently surveyed to be dealt with, the N.½ thereof was included in a time sale, which comprises the N.½ of this section and the N.½ of the S.W.¼ to Mr. Gray on the 14th December, 1905, which sale was carried out through the Agent of Dominion Lands, [illegible]. I am not clear whether this is the land Mr. Gray desires to purchase, as in his letter to the Minister of the 6th instant, above referred to, he states that the S.W.¼ is not wood land, and that it is the S.E.¼ he wishes to purchase, and he then goes on to state "I "would request you to give this matter your consideration, "and in review of my long residence on the land and my "Bona fide desire to purchase as an occupier to assist to "me in obtaining from the Department the land I require "that is the West half and South west quarter of the "Section."

I think that the land he ~~requires~~ intended to apply for is the N.½ ~~of the W.½~~ and the S.E.¼, not the S.W.¼, as stated in the paragraph above quoted.

Under the circumstances, I think, if Mr. Gray wishes to retain the land he has entered for, he should be allowed

allowed to do so, subject, of course, to the adjustment of if necessary, after the survey of the S.E.¼ has been made, or at his option to change his time sale entry from the N.½ of the S.½ of the said section 31 to the whole of the S.E.¼ of the said section.

Sir:

Referring to [illegible] of Section 31--10--29 W. 4th M., I beg to [illegible] that the Dep[illegible] entered claims that no portion of the S.E. ¼ of this section can be disposed of as vacant land, understood and you will have to confine your purchase to part of the north side of the Section. You have already purchased 155.40 acres from the Government and this leaves you the privilege of purchasing 484.60 acres. If you [illegible] N.½ of Sec. 31, there remains 344.60 acres which would leave a balance of 140 acres to be selected out of the S.W. ¼ Sec. Please advise me early, as possible the disposition of the 140 acres which you desire. For your information I am sending a rough sketch showing the legal sub-divisions and position of this section which may help you in your decision.

Sir,

Referring to your application to purchase Section 31--10--22 W. 4th M., I beg to say that the Department will allow you to purchase this land at $3.00 per acre and upon the usual terms, namely, cash one-quarter cash and the balance in three equal, annual instalments bearing interest at 5%. It appears that you already own the S.W. ¼ of Section 36--9--22 W. 4th M. containing 155.40 acres and under the provisions of the Lands Act not more than 640 acres can be held. It will, therefore, be necessary for you to select this quarter from the rest of Section 31 applied for and make your application over the counter of the section desired. You will be allowed 30 days from this date to complete and return Entry No. 6 enclosed herewith, with the first payment.

Hon. Frank Oliver.

Minister of the Interior.

Dear Sir:

I beg to call your attention to my application to purchase Section 31, Township 10, Range 29, West of the Fourth Meridian from the Government.

I would say that I have been living on this Section for over twelve years and have endeavored to purchase it from time to time and be a bona fide settler for many years.

From the copy of the letter enclosed from the Agent, Dominion Lands, Lethbridge dated the 22nd day of November, last you will see I was given leave to purchase the section containing 150 acres.

In pursuance of this letter I applied to purchase and received the reply dated the 31st day of January, a copy of which is enclosed stating that the South East Quarter was unsurveyed and could not be disposed of. I am ready to pay the extra expense of the survey if same is required.

As the South West Quarter is not good land and it is the South East Quarter I desire to purchase I would request you to give this matter your consideration and in view of my long residence on the land and my bona fide desire to purchase as a settler to assist me in obtaining from the Department the land I apply for that is the West half and South West Quarter of the Section.

As it is my home I would appreciate the privilege of buying the whole section and that be allowed.

Yours.

Dear Mr. Grady,

Referring to your letter of the 10th March last, addressed to the Minister of the Interior, with regard to the application of Mr. William Gray to purchase Section 31, Township 10, Range 29, West of the 4th Meridian, I beg to state that this matter has again been brought to the attention of the Minister and after full consideration of all the facts it has been decided that the best that could be done under the circumstances would be to give Mr. Gray an opportunity of acquiring by purchase such portion of the Section in question as may cover the actual improvements that he has put in on the land. As the Department is not at the present time offering any land for sale it is felt that it would not be advisable to permit Mr. Gray to acquire such a large area as that applied for, but as a considerable portion of the Section has been reported to be only fit for grazing purposes the Minister would feel disposed to make an exception in

in his case and allow him to acquire the tract on which his improvements have been made. It will be necessary for Mr. Gray, therefore, to furnish the Department with a description of the land which he would like to acquire under these conditions, and upon his doing so I will be glad to have the matter again submitted to the Minister for his decision.

Dear

Superintendent of the Training,

Sir:

Mr. [illegible] has made application for the position of [illegible] at the Training School, and has referred me to you for information as to his character and qualifications. I have known him for [illegible] years, and have found him [illegible]. He is [illegible] and has had [illegible] experience in [illegible] work. I [illegible] him [illegible] for the position.

Yours very truly,

[illegible]

believe that Mr. Strong was aware of the improvements on the land, notwithstanding his statements to the contrary, and considering the explanation given by Nichols as to the reason of his having gone into occupation of the land before he received final receipt from the Dairy Office - very reasonable one, while as [illegible] Strong was willing to qualify to anything in order to procure a entry.

Mr. [illegible] take that [illegible] first came neither in [illegible] entry, [illegible] [illegible] stock and [illegible] cows, six [illegible] to the [illegible] of a cows, or his, [illegible] [illegible] the [illegible] [illegible] Mr.

[illegible] office; "exercise" [illegible] very Mr. [illegible] it was with [illegible]

On the other hand Mr. J.F.Strong represents in his letter of the 19th ultimo [illegible]

having signed a petition which he represented to them as McHale and Starker. He states also that when he made entry for the land on the 8th August last, he distinctly informed the Agent that these men had half a stack of hay put up and what they had told him as to "filing" on the land. He represents further that he believed that the statements made by McHale and Starker that they had filed on the land was correct and it was only upon receiving a communication from the Calgary Office stating that the land had become available that he made entry.

It would appear as set forth in my memorandum already referred to that Mr. J.J. Strong when he made application for entry for the land in question, on behalf of his brother, made the statement that "there is no person residing upon the said land nor are there any improvements thereon;" and, in view of the Homestead Inspector's report and under all the circumstances, I think his entry should be cancelled and Mr. McHale permitted to enter for the quarter section.

Board Order 4902.

In this case there were outstanding certain advances in the joint right of the Province and the Dominion. The Adjustment Board of Alberta in their report dated 16th July, 1931, recommended that the indebtedness be written off as a loss. They also advised that the liens are not registered. This recommendation has been ratified by Order in Council P.C. 140/2402, dated 29th September, 1931.

As no action to deregister is necessary this communication may be accepted as conveying the consent of the Department to the cancellation of the liens and the closing out of the account as a loss, which action has already been taken on our records.

Smith became disheartend and at one time expressed the intention of going into bankruptcy but he eventually managed to avoid this drastic step through the assistance of his wife who had a little money of her own. He has been relying for a living on a small "truck farm" which he operates, but he is in no position to make any payment on this old account.

It is fairly evident that there is no security of any value remaining for this account, which I would recommend be written off.

Provincial Seed Grain cancellation has been made in the amount of one thousand one hundred and fifty-four dollars and one cent, ($1,154.01).

Memorandum:

The Agent of Dominion Lands reported that he had granted Homestead Entry on the 2nd of May last to Mr. Gordon MacDonald of the South West quarter of Section 11, Township 58, Range 3 West of the fifth Meridian, on which he had settled prior to survey. The Agent was then asked on what authority he had granted this entry, as in the Departmental letter to Mr. MacDonald of the 15th of March last he was advised that he must file here satisfactory evidence as to his bonâ fide occupation of this land before survey, but that he was aware that time applied continuously thereon; the evidence to be corroborated by those of his own disinterested friends. It appears, however, from the Agent's letter now received that he granted Mr. MacDonald entry on this quarter-section on the strength of his declaration before the Surveyor. He should, however, before granting entry have an inspection made by the Agent to verify the declaration of Mr. MacDonald as to the extent and value of the improvements, as also as to whether or not another quarter-section could be selected in that Township for the Local Government Surveyor to be granted to Mr. MacDonald. As, however, entry has already been granted it must now stand. The Agent has instructed the Homestead Inspector to report as to the selection of another quarter-section.

MAY 17 1905
Commissioner
DOMINION LANDS.

Ref. 87347.

Department of the Interior,

Ottawa, May 15th, 1905.

Memorandum:--

Mr. Edmund Marston represented in his letter of the 8th March last that he is living on the N.W. 1/4 of Section 4, Township 17, Range 4, West Fifth Meridian and that most of his fencing was on the N.E. 1/4 of Section 5, in the same Township, and enclosed a sketch showing the improvements he had made. He stated further that he has been on the land for four years and that his improvements consist of a house, stables, sheds, corralls and fencing, valued at $1000; also that he has more than sixty head of cattle and fifteen horses, and that he is, in consequence, desirous of owning the land as soon as possible.

He represented also that the N.W. 1/4 of Section 4 is composed of very poor land, there being only about thirty or forty acres suitable for cultivation, but that he settled on it without knowing its exact location, owing to the fact that there was a good spring and a shelter for stock.

He, in consequence applied to purchase the N.E. 1/4 of the said Section 5, under the irrigation system, which he contended could be irrigated from the spring. He added that the parcel in question being the only hay land in the vicinity, it was quite essential for him to secure it in order to carry on his business, and asked that if the land could not be sold to him at once, whether a payment would be accepted and the quarter section held for him until such time as it was surveyed.

The Surveyor General was asked to report as to whether or not the quarter section in question were sufficiently surveyed to be dealt with; and if not, when it was proposed to complete the survey.

Mr. Deville now states in his memorandum of the 5th instant

J.W.Greenway, Esq.,

Commissioner of Dominion Lands.

instant that the lands are not sufficiently surveyed to be dealt with and that,as they are now held under a closed lease, it is not the intention of the Department to complete the survey at present.

Mr. Marston having squatted on the land prior to survey and made extensive improvements, would appear to be entitled to some consideration, and I beg to enquire what reply you would desire should be sent to him.

MEMORANDUM:-

I beg to refer you to my memorandum of the 15th May last, respecting Mr. Edmund Warston's application to purchase, under the Irrigation System, the N.E.¼, Section 5, Township 17, Range 4, West 5th Meridian. It will be observed that the Surveyor General reported that this ¼ section was not sufficiently surveyed to be dealt with, and that as it was included in a closed lease, it was not the intention of the Department to complete the survey at present. The Deputy Minister, in his memorandum addressed to you, stated that, as the land was in a closed lease, he did not see how the Department could do anything to meet Mr. Warston's wishes, unless the lessees were willing to forego their right to the same. Mr. Warston was advised accordingly, and I now beg to submit his reply for your perusal.

Mr. Ryley reports that if Mr. Warston was on the land prior to the 9th March last, he might be protected in his holding to the extent of 320 acres. It is doubtful whether the fact of Mr. Warston's having built a fence across part of the said N.E.¼, section 5, he having been residing on the N.W.¼, section 4, adjoining, would give him any prior claim to the N.E.¼ of section 5. The N.W.¼, section 4, which he desires to enter as a homestead is not sufficiently surveyed; the S½ of this section, however, has been surveyed.

Advertin- to your letter of the 23rd June last, having reference to your application to purchase under the irrigation system, the N.E.¼ of Section 5, Township 17, Range 4, west Fifth meridian, which land is held under closed lease, I am directed to inform you that, under all the circumstances of the case, a Homestead Inspector's report in the matter is being called for. The N.W.¼ of Section 4, which he desires to enter as a homestead, is not sufficiently surveyed, but the S.W.¼ of this section has been surveyed. In view of these facts I am to instruct you to detail a Homestead Inspector to report fully in regard to Mr. Warston's application to purchase the quarter-section in question which is a closed lease; and to so advise the lease holders and request them to do nothing with respect to this particular parcel until they hear further from the Department.

Dear Sir,

Yours of 12 April to hand and in answer thereto I would say I have been endeavouring to procure the W½ of Sec. 4, 17, 4 W. of 5 for the past 3 years by applying for the purchase of the same from the Dominion Lands Department, under the irrigation system. I have also applied to have the land on which I reside, the W½ of 4/17/4 W. of 5 surveyed in order that I may enter for my homestead, which I have resided on for the past 5 years, also to no avail. Although I have made repeated applications for the purchase of the above mentioned land during the past 3 years I only last spring received notification that it had been leased to Messrs. Brown and Beltzfield. I may say that I own 60 head of cattle and 12 horses, which cannot live on less than one section. I may possibly draw your attention to Clause 8 Grazing Regulations 1900 which I can swear were not complied with in this case and can call witnesses to back this statement, also Messrs. Kuck Bros. 25/17/4 W. of 5 (there are 2 of them) have obtained a section and a half each a homestead and each ½ sec, lease, although they settled here 3 yrs later than I did.

The injustice in this case is my complaint against the Lands Department which I trust you will enter me by looking into on my behalf.

Yours faithfully,

Sir:-

I have the honour to acknowledge the receipts of your letters of the 18th. of October last, and of the 2nd. inst., file No.49706, and beg to state that on the 11th. inst., I visited the North-West Quarter of Section 4, and the North-East Quarter of Section 5, Township 17, Range 4, West of the 5th. Meridian, and he has resided on this land from the 24th. of May 1901, to date of inspection; Mr. Marston on the 30th. of May 1901 paid E. F. Waldy $100.00 for the improvements on the said land and squatter's right, I might say that I saw the bill of sale date-d the 30th. of May/01, signed and witnessed relating to the improvements and squatter's rights of the afore mentioned land.

The buildings on this land when Mr. Marston went into residence were a log-house 14'x 18', a log-stable 18'x 20', a log-cattle-shed 20'x 30', total valuation being $100.00 there was also a half a mile of pole-fencing which was later burnt by prairie fire. Mr. Marston put the following improvements thereon:-

Meridian the improvements consist of 1 mile of fencing built in 1901 & 1902 value.....$75.00 and I found that Mr. Marston has cut considerable scrub covering from 50 to 60 acres, which he claims to have taken him three months of hard work, on this land he has cut some hay for the last two years.

In reference to the North-East Quarter of Section 5, Township 17, Range 4, West of the 5th. Meridian, which Mr. Marston desires to purchase, I find there is a coulee running through Section 8, and the North-East Quarter of Section 5, and in this coulee there is water from the springs and from the hills which I would say would be sufficient to irrigate about 100 acres of said Quarter with very little labour attached; by irrigating said land Mr. Marston should raise considerable tame hay for his stock, he having 60 head of cattle and 17 horses, and as this land is purely for stock, and not agricultural land and very rough, I would recommend that Mr. Marston be allowed to purchase the same, either under the irrigation system or by the usual way, Mr. Marston is not particular which way he purchases it.

One reason that I think that Mr. Marston's case should be considered is that he has been living there for the past five years in a very rough part of the country and as he has quite a little bunch of cattle and horses accumulated, it would be a hardship for him to have to move off the place which he certainly would have to do if he cannot acquire the North-East Quarter of Section 5 for hay purposes.

MEMORANDUM:

With reference to my memorandum of the 17th August last, relating to Mr. Edmund Marston's application to purchase, under the homestead system, the N.E.¼ of section 5, township 17, Range 4, east 1st. Meridian, and to enter for the S.W.¼ of section 4, in the same township, I beg to say that the agent of Dominion Lands at Calgary was duly instructed, in accordance with the usual practice, to obtain a report from a Dominion Lands inspector in the matter; and to advise the intending purchaser that land to be sold to purchasers (in a sixteen lease) to be retained with regard to this particular parcel until the report thereon by the Department.

The Agent of Dominion Lands at Calgary now encloses with his letter of the 26th August last, report from Mr. Dominion Land Inspector Bryan, dated 1st August, and which I submit for your perusal.

It will be observed that the Inspector states that he found Mr. Marston in residence upon the N.E.¼ of section 4, on which land he was entered from the 4th of May 1901 to the date of inspection; and that he valued the said N.E. ¼ at $1.00, for the improvements on the said land and right-of-way.

It would also appear that Mr. Marston has made some improvements on the N.E.¼ of section 5, the patent to which he desires to purchase, which land, it would seem, is capable of irrigation.

The Inspector recommends that Mr. Marston be allowed to purchase the said N.E.¼ of section 5, either a

the irrigation system or under ordinary conditions of sale; but states that Mr. Newton is willing to acquire the parcel in either way.

I note that the inspector expresses the opinion that Mr. [illegible] could be entitled favorably owing (for one reason) to the fact that he has been living there for the past five years on a very poor part of the country, and that, as he has a number of cattle and horses, it would be a suitable [illegible] to be permitted to move away from the locality, where he could [illegible] to do, if it were to enable the parcel in question to [illegible].

MEMORANDUM:

With reference to my memorandum of the 16th October last, relating to Mr. Edmund Marston's application to purchase, under the Irrigation Act, the N.E.¼ of section 5, Township 17, Range 4, West Fifth Meridian, and to enter for the N.W.¼ of Section 4, in the same township, I beg to say that Mr. Marston was duly advised, in accordance with the Deputy Commissioner's decision, that he might, if eligible, make homestead entry for the N.W.¼ of Section 4 when it had been sufficiently surveyed, but that, as the N.E.¼ of section 5 was in a closed lease, the consent of the leaseholders would first have to be obtained.

Mr. Marston now states in his letter of the 14th ultimo that he approached the leaseholders on the subject when the lease was first granted, but that they refused to forego their rights to the said N.E.¼ of Section 5. He states, also, that it is apparent from the Homestead Inspector's report that it is quite necessary for him to secure the quarter section in question; and urges that the granting of a lease for twenty-one years, or any other term, was an injustice to him, as he had been in undisputed possession for more than four years, and that it is the only way he can be.

He ur es, therefore, that the matter be given further considera-tion; and that the Department take some steps to prevail on

the

the leaseholders to release the parcel. He adds that if the land is taken from him he will be driven from the country.

Mr. Marston also encloses a statutory declaration made by him setting forth that he settled on the N.W.¼ of Section 4 (for which, under the decision referred to, he has been permitted to enter for as a homestead) in May, 1901, and has been living continuously on the parcel from that date.

As pointed out in my said memorandum, the Inspector recommended that Mr. Marston be allowed to purchase the said N.W.¼ of Section 5, upon which he would appear to have made some improvements, and which would seem to be capable of irrigation, either under the Irrigation System or under ordinary conditions of sale, and stated that Mr. Marston was willing to acquire the parcel in either way.

In this connection, please see also the statements made in the first paragraph of the second page of my said memorandum.

MEMORANDUM:

In his letter of the 20th November herewith Mr. Edmund Marston states that he has been living on the northwest quarter of section 4, township 17, range 4, west of the fifth meridian, since 1901, that he holds a lease for the northwest quarter of section 5 and that he applied some years ago to purchase the northeast quarter of section 5. He asks that these lands be surveyed.

As the Deputy Minister has decided in his memorandum of April 3rd last, file 871347 herewith, that Mr. Marston should be granted entry for the northwest quarter of section 4 and should be asked to file his application in the usual way to purchase the northeast quarter of section 5 under the provisions of the Irrigation Act, he might be informed that we will endeavour to have these lands and the northwest quarter of section 5 subdivided next year. The file does not contain any information about the last mentioned parcel which is said by Mr. Marston to be held by him under lease.

It is noted that in the departmental letter to Mr. Marston dated April 19th last, the northwest quarter of section 4 is mentioned, whereas the northeast quarter of section 5 is evidently meant.

I beg to acknowledge the receipt of your letter of the 7th instant, with respect to your application to purchase the northeast quarter of sec. 5, tp.17, rge. 4, west of the 4th meridian, under the irrigation system.

So far as the records of this department show your first application to acquire this land under the irrigation system was reported to this office by the Commissioner of Irrigation on the 10th September, 1909. The Commissioner was advised on the 28th September that no action could be taken until after he had inspected the proposed irrigation scheme and declared it feasible. He was also advised that the land was included in a grazing lease but that it could be withdrawn from the lease upon giving two years' notice. Subsequently it was discovered that this lease was for a period of twenty-one years from the 1st April, 1905, and that it would be impossible to withdraw the land from it until the expiry of the lease. I beg to return the Memorandum of the 27rd ultimo from Mr. Campbell, of the Forestry Branch, enclosing copies of letters from Edmund Marston, of Pekisko, respecting his claim to purchase the N.E.¼ of Section 4, Township 17, Range 4, West of the 5th Meridian, and to obtain homestead entry for the S.E.¼ of Section 4 in the same township. The particulars of the N.E.¼ of Section 4 are set out in Mr. Campbell's memorandum.

In 1906 Mr. Marston was advised that it had been decided to permit him, provided he was eligible, to make homestead entry for the N.E.¼ of Section 4, Township 17, Range 4, West of the 5th Meridian, when it was sufficiently surveyed.

The Surveyor General, under date of the 14th instant, states that this quarter section has not been surveyed, but that it was placed on notice for survey, and the work will probably be done during the coming season. Ref. #71347

Lieut Earth.

Memorandum :-

I beg to return the Memorandum of the 23rd ultimo from Mr. Campbell, of the Forestry Branch, enclosing copies of letters from Edmund Moreton, of Pakisko, respecting his claim to purchase the S.E.¼ of Section 17, Township 4, West of the 4th Meridian, and to obtain homestead entry for the N.E.¼ of section 4 in the same township. The particulars of the S.E.¼ of section 17 are set out in Mr. Campbell's memorandum.

In 1906 Mr. Moreton was advised that it was then decided to put it him, provided he was eligible, to make homestead entry for the N.E.¼ of Section 4, Township 17, Range , West of the 4th Meridian, when it was sufficiently surveyed.

The Surveyor General, under date of the 1st instant, states that this quarter section has not been surveyed, but that it was reported for survey, and the work will probably be done during the coming season. The qarter section is, however, included in a timber lease, and the Timber, Grazing & Irrigation Branch report that if the applicant can show that he was in occupation of the land at the time the lease was granted, namely, the first , 1907, the quarter section can be withdrawn from the lease.

As,

J.M. Greenway, Esq.,
Commissioner of Dominion Lands,
Ottawa.

Mr. Hamilton to Mr. Mitchell-Hedges
dated the 8th of May, 1941.

Mr. Hamilton has been notified on the 8th of May, 1941, by the Office of the Inspector General, Air Force, that he will be relieved from duty on or about the 15th of August, 1941, to report for duty at the Air Corps Basic Flying School, Maxwell Field, Montgomery, Alabama.

Chief of Branch.
